WHEREAS, the proposed budget was submitted to the Board for its review and consideration on or before October 15, 2023; and

WHEREAS, the proposed budget is more than fifty thousand dollars (\$50,000.00), due and proper notice was published on Thursday, October 26, 2023 in *The Villager Newspaper* indicating (i) the date and time of the hearing at which the adoption of the proposed budget will be considered; (ii) that the proposed budget is available for inspection by the public at a designated place; (iii) that any interested elector of the District may file any objections to the proposed budget at any time prior to the final adoption of the budget by the District; and (iv) if applicable, the amount of the District's increased property tax revenues resulting from a request to the Division of Local Government pursuant to Section 29-1-302(1), C.R.S.; and an original publisher's Affidavit of Publication is attached hereto as Exhibit A and incorporated herein by this reference; and

WHEREAS, whatever increases may have been made in the expenditures, like increases were added to the revenues so that the budget remains in balance, as required by law; and

WHEREAS, pursuant to Section 29-1-113(1), C.R.S., the Board shall cause a certified copy of the budget, including the budget message and any resolutions adopting the budget, appropriating moneys and fixing the rate of any mill levy, to be filed with the Division of Local Government within thirty (30) days following the beginning of the fiscal year of the budget adopted; and

WHEREAS, pursuant to Section 32-1-1201, C.R.S., the Board shall determine in each year the amount of money necessary to be raised by taxation, taking into consideration those items required by law, and shall certify the rate so fixed to the board of county commissioners of each county within the District or having a portion of its territory within the District.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE CASTLEWOOD WATER AND SANITATION DISTRICT, ARAPAHOE COUNTY, COLORADO:

Section 1. Summary of 2024 Revenues and 2024 Expenditures. That the estimated revenues and expenditures for each fund for fiscal year 2024, as more specifically set forth in the budget attached hereto as Exhibit B and incorporated herein by this reference, are accepted and approved.

Section 2. Adoption of Budget. That the budget as submitted, and if amended, then as amended, and attached hereto as Exhibit B and is approved and adopted as the budget of the District for fiscal year 2024. In the event the final assessed valuation provided by the Arapahoe County Assessor's Office differs from the assessed valuation used in the proposed budget, the District's accountant is hereby directed to modify and/or adjust the budget and mill levy certification as needed to reflect the final assessed valuation without the need for additional Board authorization.

Section 3. Senate Bill 23-303 and Proposition HH. That the passage of Proposition HH at the November 7, 2023 general election would result in the implementation of various provisions of Senate Bill 23-303 which will impact the District's budget, including, but not limited to, the addition of Section 29-1-306, C.R.S., which limits the increase in the District's property tax revenue to no more than a prescribed inflation amount subject to exclusion of revenue from certain sources. That, as part of the preparation of the proposed budget, the District's accountant calculated the "property tax limit" as defined in and in the manner set forth in Section 29-1-306, C.R.S. and has determined that the District's property tax revenue for property tax year 2023 will not increase by more than "inflation" (as defined in in Section 29-1-306(1)(a), C.R.S.) from the District's property tax revenue for the property tax year 2022 and therefore the property tax limit will not be exceeded by imposition of the mill levies included in the budget of the District for fiscal year 2024. In performing the property tax limit calculation, the District has directed that for purposes of Section 29-1-306(2)(b), C.R.S. the most recently published estimate of inflation for the 2022 calendar year available at the time of preparation of the 2024 budget be utilized by the District's accountant. Finally, that the due to the timing of the November 7, 2023 general election and the requirement that the District be provided a proposed budget for its review and consideration on or before October 15, 2023, the District's accountant has made a good faith effort and used the best information available at the time of preparation of the budget to provide the

District with alternative scenarios showing a proposed budget and mill levies for fiscal year 2024 in the event that Proposition HH passes and alternatively in the event that Proposition HH does not pass. Due to the uncertainty of the outcome of the passage of Proposition HH and the significant possibility that the final assessed valuations differ from the preliminary assessed valuations, once the outcome of Proposition HH is known and the final assessed valuations are provided by the Arapahoe County Assessor's Office, the District's accountant is hereby directed to modify and/or adjust the budget and mill levy certification as needed to reflect the final assessed valuation without the need for additional Board authorization.

Section 4. Appropriations. That the amounts set forth as expenditures and balances remaining, as specifically allocated in the budget attached, are hereby appropriated from the revenue of each fund, to each fund, for the purposes stated and no other.
